Letter in Response to Outstanding Office Action

Assistant Commissioner for Patents
Washington, DC 20231

March 21, 2002

Sir:

It is noted that the Office Action which issued in connection with the above-identified application discusses issues and a technology which in no way relates to the present application (pharmaceutical invention).

Applicants' representative has contacted the PCT Branch of the U.S. Patent and Trademark Office regarding this issue. They stated that they are reconstructing the file and examination relating to the present application will proceed in the near future.

Should any questions arise regarding these issues, the Examiner is invited to call the Applicant's representative, Andrew D. Meikle, in the Washington metropolitan area at the telephone number listed below.

Respectfully submitted,

BIRCH, STEWART, KOLASCH & BIRCH, LLP
